Report on the observation of NSS Day

The National Service Scheme is an Indian Government sector public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. The scheme was launched in Gandhiji's centenary year in 1969. Since 1969, every year NSS Day is observed in India on September 24. The program aims to instilling the idea of social welfare in students and to provide service to society without bias. The NSS Volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity.

To celebrate the occasion a virtual meeting was convened by Mr Haraprasad Mohapatra, NSS Program Officer, KISS Deemed to be University on 24.09.20. About twenty five volunteers attended the meeting. The Program Officer advocated the principles of developing students' personality through community service. He also advised the volunteers to instill in the mind of the villagers how to lead a good life despite scarcity of resources. The volunteers were excited and promised to help the needy by providing food, clothing and first aid to the disaster's victims.

A Report on Swachha Bharat Abhiyan by NSS volunteers on Gandhi Jayanti

I organised a virtual awareness programme on Swachha Bharat Abhiyan on 1-10-2020. ²⁵45 NSS volunteers participated in the programme. I told the volunteers about the objectives of NSS and discussed the agenda of Swachha Bharat Programme that is to be done on the eve of Gandhi Jayanti. Volunteers participated in the virtual meeting vowed to perform their roles meticulously on the occasion of Gandhi Jayanti.

On the occasion of Gandhi Jayanti, i.e 2 - 10 -2020, the volunteers started the cleanliness drive from 8 A.M. to 10 A.M. They also sensitised the villagers to keep their environment clean. One of the volunteers Saroj Saunta initiated the cleanliness drive in Laxmipur Block along with his friends. Similarly Mangaraj Khara did such noble works in Nandapur Block. Other volunteers – Bhuteswar Patra, Binod Tudu, Dibyajit Huika and Narottam Sing did such voluntary works in Turekela block, Jashipur block, Jeypore block and Badasahi block respectively. Working under the guidelines of COVID-19 the student volunteers worked wholeheartedly and made the programme a grand success. The students expressed their gratitude to Dr. Sujata Acharya, Principal, KISS University; Dr. Tripura Mishra and Dr. Chittaranjan Bhoi, Vice Principals, KISS University and Dr. Amulya Ratna Nanda, Programme Co-coordinator for their able guidance and continuous motivation from time to time for these voluntary works.

Report on Pulse Polio Awareness Programme

Pulse polio immunization programme was launched in 1995 - 1996 with an aim to eradicate polio disease from the world. It involves simultaneous administration of polio drops to whole of the high risk population on a single day throughout the nation. Children in the age group of 0 - 5 years administered polio drops during National and Sub-national immunization rounds every year. In this context a virtual meeting was convened by Mr Haraprasad Mohapatra, NSS Programme Officer with his volunteers on 30.01.2021. About twenty eight volunteers took part in the meeting. The Programme Officer advised the volunteers to mobilize the community for pulse polio vaccine on 31.01.2021. The volunteers were enthusiastic and assured their wholehearted support to mobilize the family members for pulse polio immunization drive.

Report on Observation of International Women's Day

In order to acknowledge the economic, Political, Social, and Cultural achievement from all walks of life, the International Women's Day is celebrated throughout the world on 8th March every year. In this regard a virtual meeting was organized by Mr. Haraprasad Mohapatra with his NSS Volunteers on 08-03-2021. In the meeting he focused on the origin and history of observation of this day and highlighted on the theme of the current year. The day marks a call to action for celebrating gender parity. In fact, the day is meant to maximize Women's strength and unique abilities and to uphold feminist values and celebrate womanhood to the fullest.

Report on Road Cleanliness by NSS Volunteers

No-35

Cleanliness not only keeps our environment fresh but also prevents human beings from various diseases. As the objective of the NSS volunteers is to create a healthy hygienic environment, a mass cleanliness drive was initiated by KISS NSS Volunteers on 27.6.22. Keeping an eye on the upcoming Car Festival on 1.7.22, the volunteers worked with much vigour and enthusiasm. Under the guidance of Mr Haraprasad Mohapatra, NSS Programme Officer, the volunteers started cleaning the periphery of KISS Campus 3. The other volunteers also cleaned the weeds from the roads. For the smooth observation of Car Festival, the volunteers cleaned both sides of the road from Jharkhand Police Station to KISS Campus 1. Other Programme Officers Dr Pankajita Khakha and Dr Tanakya Nath Panda also encouraged the volunteers in their endeavour. The Programme Coordinator Dr Amulya Patra Nanda monitored the entire process and lauded the effort of the volunteers. With the active participation of thirty-four volunteers, the programme was a grand success. Finally, Mr Haraprasad Mohapatra thanked all for their sincere co-operation.

Report on Celebration of 'Azadi Ka Amrit Mahotsav'

'Azadi Ka Amrit Mahotsav' is an initiative by Govt. of India as a great tribute to our fighters. Keeping this in view, an awareness rally was organised by the NSS Volunteers of KISS Deemed University from Campus 1 to Campus 3 of KISS University. Prof. Deepak Kumar Bhatta, the Vice Chancellor, KISS Deemed University was the flag bearer of this occasion. Mr Haraprasad Mohapatra, along with the other Programme Officers and all volunteers joined the event with great enthusiasm. The purpose of this event was to commemorate the sacrifice and dedication of our freedom fighters and instil awareness among the student volunteers about the much awaited and hard-earned freedom of our nation. The programme, on the whole, was a grand success.

National Unity Day

31 Oct, 2020

NSS Volunteers of Kalinga Institute of Social Sciences KISS University wings observed Rashtriya Ekta Diwas (National Unity Day) on 31st October 2020, celebrated all over the country to mark the Birth Anniversary of Sardar Vallabhbhai Patel under the guidance of Saismita Swain Programme officer KISS University.

Rashtriya Ekta Diwas or National Unity Day is celebrated on 31st October every year since 2014 to mark the birth anniversary of Iron Man of India - Sardar Vallabhbhai Patel. This year marks the 144th birth anniversary of the freedom fighter and an ace politician. Sardar Patel played a major role in the integration of India (Ex Bhopat) from over 560 princely states. To acknowledge his efforts in uniting the nation, India celebrates National Unity Day or Rashtriya Ekta Diwas on his birth anniversary.

On this auspicious occasion we organised a Virtual meeting by following the COVID-19 guidelines. The NSS Volunteers of KISS University recall the great works of Sardar Patel and acknowledge them by celebrating Rashtriya Ekta Diwas by taking Pledge to preserve the Unity, integrity and security of the nation and also strive hard to spread this message among the Countrymen.

We are very thankful to the principal KISS Dr. Sujata Acharya for her guidance, and support.

Constitution Day

26 Nov, 2020

The NSS Cell of KISS University celebrated Constitution day on 26th November 2020 in virtual meeting. India's Constitution was adopted on November 26, 1949, and came into force on January 26, 1950, marking the beginning of a new era in the history of India. The Government in 2015 decided to observe 26th November as 'Constitution Day' or 'Samvidhan Divas'. In this regard, a communication has been received from Ministry of Human Resource Development to celebrate 'Indian Constitution Day' on 26th November, 2020. The Commemoration Function of 'Samvidhan Divas' addressed by Hon'ble President of India, Hon'ble Vice President and Hon'ble Prime Minister of India at Central Hall, Parliament House on 26.11.2020 was live telecasted from 11:00 am onwards.

Students viewed the address of Hon'ble President, Vice President and Prime Minister followed by pledge on Preamble of Indian Constitution was taken by students in their respective place.

Saismita Swain programme officer KISS delivered special address on Fundamental duties as the Constitution of India.

The aim of the programme is to enhance the knowledge of the students and information about Indian Constitution and to spread awareness on fundamental duties.

Sadar Suraksha - Teeron Raksha

25 Jan, 2021

Every year, more than 1.50 lakhs people lose their lives in our country in road accidents and many more are debilitated. This causes immense economic hardship and emotional trauma to their families. There is an urgent need to make our roads safer as the loss of lives and limbs cannot be accepted as the price of mobility. There is a need for the society at large to take cognizance of the issue and to join hands to make road safety a social movement. To give all the stakeholders an opportunity to take part in concerted action for the cause. "Road Safety Week" is observed throughout the country every year in order to highlight and emphasize the need for safe roads. This year instead of "Road Safety Week", a month-long campaign "National Road Safety Month" will be observed from 18th January 2021 to 17th February 2021. The theme of this year is, "Sadar Suraksha - Teeron Raksha".

The NSS Volunteers play an important role to make their family, community and village people aware in this regard because awareness begins from own family. In this occasion the NSS Unit of KISS University wings organised a awareness programme through webinar under the guidance of Saismita Swain programme officer KISS University on 25 January 2021. In this webinar the students got training regarding road safety. The NSS Volunteers also spread awareness in their respective community.

International Women's Day

8 March, 2021

Around the globe, women celebrated Women's day - to commemorate the movement for women's rights.

International Women's Day celebrates the social, economic, cultural and political achievement of women.

The students of KISS University and the Volunteers of NSS Organize a Campaign in Online through Google meet on 8 March 2021 to celebrate the "International Women's Day". They explain the basic requirements for women empowerment, gender equality, Constitutional rights and education via different ways - skit, movie shows, etc.

The main theme of this Camp was spreading awareness about the issues that women individually face in today's world. The theme of International Women's Day 2021 is "Choose To Challenge". A challenging world is an alert world. And from challenge comes change.

A Volunteers start briefing which focused on why women's safety, education, equality, empowerment is significant for us. The programme end with vote of thanks by Saismita Swain Programme Officer KISS University.

"Netaji subhas Chandra bose"

Dr.Babita Das

NSS Officer

The country celebrates the 125th birth anniversary of our Netaji on 23/1/21. It is a day of pride. It remembers us the indomitable spirit and selfless service to the nation rendered by Subhash Chandra Bose, a Cuttack born hero and one of the political luminaries in the galaxy of Indian leaders. Morning shows the day. Subhas Bose had proved his mettle since his childhood. He was associated in many social activities in his boyhood at Cuttack which was his beginning career towards the service of his motherland.

Having highly educated and being successful in ICS for further bright career, Subhas Bose was more inclined towards freedom of his country. Chitta Ranjan Das was the inspiration for him. Subhas became the president of Indian National Congress twice with an aim to free India from foreign rule. Influenced by Tilak and Aurobindo Ghose Subhas restored to the path of extremism.

The liberal policy towards british people in India by Gandhi and the rightist was not appreciated by Subhas. He resigned from National Congress and formed a new party Forward Block in 1939 and made a strong demand against the british rulers to live India without delay.

Subsequently, Subhas left for Berlin with the help of Hitler freed the Indian war prisoners in 1941 and fled to Japan and formed Azad Hind Fauz. The Indian army at German addressed Subhas as Netaji. Unfortunately, with the defeat of Japan and German in second world war the Azad Hind Fauz vanished away and Subhas met a mysterious death.

He was a patriot and great political leader of Mother India. He lived in action not in talks.

Pulse Polio is an immunization programme

Dr. Babita Das
NSS Programme Officer

It was introduced throughout the world for vaccination to the children below 5 years. The objective is to eliminate poliomyelitis (polio) which is a deadly disease and makes the people crippling. It affects the nervous system and the human body during the early period of the child. The viruses of disease multiply both the intestine and affect the system of the body. The vaccination is oral in nature.

To commemorate the birth of John Salk who started the programme on October 24, 1980, the October 24 is observed as World Polio Day. In the year 1995 our country has started such vaccination as per the advice of the UNO. India extends the service from 1995.

Presently, President of India launched Pulse Polio Programme for 2021 on 30/1/2021. However, 31st January, 1st February and 2nd February are the immunization day. Due to corona pandemic the dates are deferred from 24th October. The programme will be supported by 24th workshop volunteers of our country and 1.5 lakh supervisors. The service of Civil Societies, Lions Club, Rotary Club, WHO, UNICEF will take part in this immunization programme.

A REPORT ON COVID 19 Awareness

Dr. Babita Das
NSS Programme Officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (28) on 30th March, 2021 guided by Dr. Babita Das. The World Health Organization declared the outbreak a Public Health Emergency of International concern on 30 January 2020, and a pandemic on 11 March 2020. COVID-19 transmits when people breathe in air contaminated by droplets and small airborne particles. The risk of breathing these in is highest when people are in close proximity, but they can be inhaled over longer distances, particularly indoors. The official names COVID-19 and SARS-CoV-2 were issued by the WHO on 11 February 2020. Regular household cleaning and disinfection products will effectively eliminate the virus from household surfaces. The ways to prevent COVID-19 is to wear a mask- whenever in a public place; one should always wear a facemask. Cover mouth while coughing and sneezing. One should also cover mouth with a tissue while coughing or sneezing. The National COVID-19 vaccination drive of India is world's largest vaccination drive and has been unprecedented in both scale and reach.

A Report on the topic "second wave of corona pandemic and the role of nss volunteers"

Dr.Babita Das
NSS Programme officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (21) on 31st May, 2021 guided by Dr.Babita Das. The guest was Mr. Seshadev Baliarsingh, Principal of Bijupattnaik college of Social Work delivered a short oration regarding the second wave of Corona Pandemic and the role of NSS volunteers to combat the situation. The present position of transmission of disease was the main focus of discussion particularly in Odisha context.

Compared to National Average of positivity rate, it may be mentioned that the national average is 8.35 whereas the average state of Odisha is 17%. Even if, the positivity rate is decreasing it remains concern in our state.

It is clearly felt that the second wave is more fatal and taken more lives and making more infected than the first wave.

Govt. has taken a dynamic step to arrest the further spread by adopting a slew of correctional measures to reduce the reproductive rate.

It is felt that keeping people indoor for few days more will definitely check the spread to the possible hosts. Lockdown became effective to control the disease to large extent, by way of obstructing the contact rate. Less contact rate will reduce the force of transmission.

Vaccination which has been continuing throughout the country is to continue piously. In present context for Odisha we should restrain from different traditional ceremonies like Raja and Sabitree which are ensuring. Till now, 5 per cent of the target population are being vaccinated.

On the other hand, for the livelihood a very little relaxation is suggested. In our state 20 lakh more business people with their families experienced no earning in each day out of which 60 lakh depend upon daily earnings. Entire middle class people were now in hard hit.

Considering the above situation lockdown should be continued to reduce the pandemic situation, the volunteers and the professional experts should come to the street to educate the people to spread awareness among the people and to make

A Report on the world no tobacco day

Dr. Babita Das
NSS Programme officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (27) on 26th June, 2021 guided by Dr. Babita Das. The World No Tobacco Day have been observed since 1987, on 31st May of every year. It is a movement against danger use of tobacco. This becomes an epidemic due to the use of tobacco in the human world. It causes 80 million deaths every year. The use of tobacco is against the right to health and healthy living as well as to protect the future generation. We should commit to ourselves to quit tobacco and smoking for good. The programme spreads the harmful effects of tobacco.

The World No Tobacco Day is observed every year to make tobacco users aware of the opportunity to lead a healthier life. The aim of this day is to spread awareness about the dangers of using tobacco and how health problems can be talked by doctors when one quits smoking.

A REPORT ON PLANTATION

Dr. Babita Das
NSS Programme Officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS a volunteer (28) on 30th June, 2021 guided by Dr. Babita Das. Plantation refers to the situation where new plants or trees are planted for a forestation and for replacement where old trees are cut. The importance of tree plantation is quite significant as it is associated with our basic need for good food to eat and fresh air to breathe. Apart from these basic necessities, they maintain biodiversity, conserve water, preserve soil, control climate etc.

Unbridled cutting of trees lead to ecological imbalances like depletion of soil, oxygen rain and brings earth wormer.

In order to bring ecological balance in our living surroundings as well as different treeless areas, plantations are essentially required. Our volunteers, creating awareness in the community engaged themselves in various plantation works.

A REPORT ON vaccination (1st does \$2ND DOES)

Dr. Babita Das
NSS Programme Officer,
KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (31) on 30th July, 2021 guided by Dr. Babita Das. It is observed that the pandemic will not be reduced unless there is scale of vaccination. In order to escape from this pandemic disease speedy scientific invention of proper vaccination becomes imperative throughout the world. Accordingly, vaccination started since last eight months. Vaccination is the only method which gives security to health. It is diagonalized that two doses of vaccination which reduce the prevalence of disease. Although 1st dose has been administered throughout the country. Second dose is must.

Till now, 42 crores of vaccination has been done. But only 9 crores have taken second dose. In Odisha 15 crores have taken 1st dose where as only 35 lakhs have taken second.

Massive vaccination breaks the spread of corona and hundred percent of vaccination is required to escape from the pandemic.

Necessary advice is given to the people even after vaccination. Unless hard immunity is created, we will not be free from risk. Hence, second dose is essential.

Our volunteers religiously moved village to village and spread awareness regarding benefits of vaccination and they made good counselling to the vaccine reluctant.

A REPORT ON Swachh pakhwada

Dr. Babita Das
NSS Programme Officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (31) on 16th August, 2021 guided by Dr. Babita Das. The Swachhata Pakhwada launched by govt. of India is a fortnight long programme observed to ensure mass participation of citizens in Swachhata activities and truly transform Swachh Bharat into a citizen's movement. A variety of activities such as rallies, prabhat pheri, short run for cleanliness, seminars, lectures by resource persons, street plays, wall writing and other community activities were undertaken to focus public attention.

Mahatma Gandhi had cleanliness and closest to his heart and for him cleanliness is next to Godliness. It will be a great tribute to Bapu on his 150th Birth Anniversary by accelerating the youth led movement across India. It is to solve the problems of sanitation and waste management in India by ensuring hygiene across the country. Maintaining a clean environment is for the health of all humans, as their health completely depends on the atmosphere. A bad environment is solely responsible for spoiling the health of people around. We must maintain the cleanliness of our bodies, homes, buildings, surroundings and environment to have good health.

A virtual meeting was conducted with the NSS a volunteer (31) on 18th September, 2021 guided by Dr. Babita Das. Poshan Abhiyaan was launched by prime minister on 8th Marh 2018 in Jhunjhun district of Rajasthan. The focus of Abhiyaan is to lay emphasis on nutritional status of adolescent girls, pregnant women, lactating mothers and children from 0-6 years age. The Abhiyaan seeks to address the issue of malnutrition in mission-mode.

POSHAN Abhiyaan is a three year programme to ensure a holistic approach, covering all 36 states and union territories. Malnutrition is caused by a lack of nutrients, either as a result of a poor diet or problems absorbing nutrients from food. Certain things can increase your risk of becoming malnourished. There are four types of malnutrition according to the World Health Organization. This includes deficiencies, stunting, being underweight and wasting.

The best way to prevent malnutrition is to eat a healthy balanced diet. One needs to eat a variety of foods from the main food groups, including plenty of fruit and vegetables, plenty of starchy foods such as bread, rice, potatoes etc.

"A Report on azadi ka amrit mahotsav"

Dr. Babita Das
NSS Programme

Officer, KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (30) on 27th September, 2021 guided by Dr. Babita Das. Azadi ka Amrit Mahotsav is an initiative of the govt. of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. The Mahotsav will work to enhance interaction and promote mutual understanding between people of different states and territories by conducting activities in the areas of language, learning, tangible as well as intangible. It is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. The official journey of "Azadi ka Amrit Mahotsav" was started on 12th March, 2021 from Sabarmati Ashram when Prime Minister, Shri Narendra Modi flagged off to commemorate 75 years of India's independence. On 12th March 1930, Mahatma Gandhi started Dandi yatra from Sabarmati Ashram for the awakening of self reliance and self respect of the country, and on this day in 2021, the symbolic Dandi yatra was started by Prime Minister, Shri Narendra Modi which marks the revival of our journey of self-reliance and self respect with the beginning of Azadi ka Amrit Mahotsav.

Azadi ka Amrit Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India for evolutionary journey but also hold within them the power and potential to enable the vision of Prime Minister Modi to activate India which is fuelled by the spirit of Atmanirbhar Bharat.

A REPORT ON clean India

Dr. Babita Das
NSS Programme Officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (32) on 16th October, 2021 guided by Dr. Babita Das. Our prime minister had rightly launched the swachha Bharat campaign to clean up India. To make India clean all should encourage and should keep their neighbourhood clean. The govt. should regularize the industries which emit harmful gases. All should conserve the beauty of nature and plant more trees to spread greenery around. All should throw the waste and garbage in dustbin provided.

Mahatma Gandhi had cleanliness and closest to his heart and for him cleanliness is next to Godliness. It will be a great tribute to Bapu by accelerating the youth led movement across India. It is to solve the problems of sanitation and waste management in India by ensuring hygiene across the country. Maintaining a clean environment is for the health of all humans, as their health completely depends on the atmosphere. A bad environment is solely responsible for spoiling the health of people around. We must maintain the cleanliness of our bodies, homes, buildings, surroundings and environment to have good health.

It is one of the important campaigns launched by the govt. of India. The ultimate objective is to maintain a healthy and clean environment. It should be started from homes, schools, colleges, communities, offices, institutions so that there is a clean India revolution in the country at large scale.

India can maintain clean and healthy when every person should maintain hygiene. Local NGOs should also work for making India clean. Government should made strict rules for maintaining cleanliness and people should obey rules and maintain cleanliness in their surroundings.

A virtual meeting was conducted with the NSS volunteers (31) on 12th January, 2022 guided by Dr. Babita Das. National Youth Day is observed to honour the ideals and thoughts of Swami Vivekananda who had tremendous faith in youth. Swami Vivekananda's life and teachings have encouraged millions across the world. In 1985, the govt. of India declared Swami Vivekananda's birthday - January 12 as National Youth Day in honour of the great philosopher and monk. Since 1985, this day is celebrated as National Youth Day all over India. The objective was to motivate the youth to lead the nation to prosperity. Theme of National Youth Day is "it's all in the mind", a key teaching of Swami Vivekananda. He was known for preaching religious tolerance and combining Indian spirituality with western material progress. The National Youth Day is observed all over India at schools and colleges, with processions, speeches, music, youth conventions, seminars, Yogasanas, presentations, competitions in essay-writing, recitations and sports. The National Youth Day is being celebrated every year to commemorate the birth anniversary of Swami Vivekananda. Swami Vivekananda was born on January 12, 1863 in Kolkata. Vivekananda propounded the importance of Education in building a nation. The International youth day theme is to "Transforming education" emphasizes on the efforts to make education more accessible and inclusive to the youth.

A REPORT ON world cancer DAY

Dr. Babita Das
NSS Programme Officer,

KISS DU, Bhubaneswar.

A virtual meeting was conducted with the NSS volunteers (32) on 4th February, 2022 guided by Dr. Babita Das. The theme of World Cancer Day 2022 is 'Close the Care Gap'. It is all about understanding and recognising the inequities in cancer care around the globe. The theme aims to raise awareness about the vast difference in cancer care and prevention that people from different sections of society can avail. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer. The official colours of World Cancer Day are blue and orange. World Cancer Day originated in 2000 at the first World Summit against cancer which was held in Paris. Help people recognize the early signs and symptoms of cancer, thus enabling them to seek treatment at an early stage. Educate people about the key risk factors, since more than 30% of cancer cases could be prevented by modifying lifestyle or avoiding the risk factors. Cancer results from the uncontrolled growth of abnormal cells in the body and any of these abnormal cells are capable of invading other tissues. Cancers are often named for the organ or cell type where the abnormal cells first develop. A light purple or lavender ribbon often is used to represent all cancer as a whole.

Report on Tika Utsav and COVID 19 Awareness Campaign

Organized by- NSS Unit, KISS-DU

Date - 11th April to 14th April 2021

The sudden outbreak of COVID 19 caused unprecedented pressure on the community and the National Health systems. Because of this reason, now it is the responsibility of each and every individual to become aware of the fact and also to make others aware about its consequences.

Volunteers of KISS-DU NSS Bureau organized the Tika Utsav and COVID 19 awareness program at their respective villages. The pandemic has compelled the volunteers to stay at home. Still, they are trying their level best to discharge their duties towards the society. They created awareness among the people of different age groups in their villages about the fact that it is the prime duty of all citizens to follow the COVID protocol.

As vaccines are available now, people should be aware of its benefits and they should not hesitate to accept it. In true sense we can say it has now become a blessing of God towards the human society. The volunteers tried to share this message to people by moving from door to door. They also organized small awareness programs at nearby places.

It was a great opportunity and pleasing experience for the NSS volunteers to interact and educate people at such a time when Nation really needs each one's participation in the drive.

Venue- Google Meet

Date- 28th May 2021

The World is sailing through troubled waters and the country is facing the second surge of the COVID-19 pandemic. The NSS Unit, KISS-DU organized a special session on the theme "Yoga for Better Immunity During 2nd Wave COVID-19". The programme was organized on 28th May at 11 AM and was meant for the benefits of NSS volunteers and students of KISS. Sri Pravat Chandra Padhi, Yoga Trainer graced the occasion as Chief Speaker to guide and bless the students. Near about 30 volunteers participated in the program.

At the outset the NSS anthem was sang by the volunteers which helped a lot to set a positive atmosphere to begin. Mrs. Saswati Jena introduced the speaker to all and highlighted the objectives of organizing such sessions during these days. Then a few volunteers shared their views regarding the need of such sessions especially for them so that as volunteers they can also become trained to help people in their native places.

Sri Pravat Chandra Padhi shared started with some simple asanas like Tadasana, Brikshyasana etc. and spoke on the benefits of practicing yoga regularly at home. He emphasized on the fact that now-a-days it has become the need of the time to create a good immunity within so that we will be less dependent on medicines. We should take balanced diet along with some natural herbal products like Neem, Tulsi etc. on regular basis so that we can fight against any kind of deadly micro-organisms. He then showed some more asanas and then skipped to a few Pranayamas basically required during these days in order to keep our heart and lungs healthy. He stressed on the fact that whatever may be the situation we should not become panic and we should remain strong mentally which will heal up everything quickly. He also guided how to follow the COVID guidelines and how to maintain hygiene at home and outside.

After a nice question- answer session the program ended with a warm vote of thanks by one of the volunteers.

Celebration of NSS Day-2021 by NSS Unit, KISS Deemed to be University

Venue- Blended Mode

(Both virtual and physical mode)

Date- 24th September 2021

NSS Unit of KISS Deemed to be University celebrated the NSS Day on 24th September with great fervor and enthusiasm. It was celebrated both in virtual and physical mode by the NSS volunteers, other team members and students. As the students are staying at their own villages due to COVID 19 pandemic a preparatory meeting was organized in virtual mode on 22nd September 2021. It was meant for creating an awareness among the volunteers about the importance of NSS day and also to clarify the theme this year. As per the government guidelines a mega blood donation camp was to be organized in the campus but it was not feasible because of the pandemic. Therefore, it was decided in the meeting to celebrate the day by organizing awareness programs in the respective villages also in virtual mode.

On the eve of NSS Day i.e., on 23rd September, the NSS volunteers organized awareness programs on blood donation and plantation in their respective native places. They prepared posters on blood donation and placed them in public places so that it can attract peoples' attention and interest towards the messages given in them. They also planted trees and advised people to plant at least one tree on that day and take care of it.

On 24th September, a special session was organized online to celebrate NSS Day. The session started with a welcome address by Lizarani Bidika, one of the NSS volunteers. Then Mrs. Saswati Jena, PO, NSS spoke a few words on NSS Day and the reasons of celebrating such days having utmost importance in our lives. Subsequent to this, she announced poster competition to be held on the occasion. The student volunteers participated in this competition with great interest and they enjoyed a lot. Some of them also shared their experiences gained while organizing the awareness programs in their villages.

At the end a beautiful patriotic song was offered by the student volunteers which made the environment livelier. The session ended with a warm vote of thanks by Bharati Bangula, NSS volunteer of KISS-DU.

Observation of Clean India Program

Date- 2nd October to 30th October 2021

Venue- Online (Google Meet) & Offline (Village Areas)

As per the instructions of the Department of Youth Affairs, Ministry of Youth Affairs and Sports, the NSS Wing of KISS Deemed to be University observed the "Clean India" Program to celebrate Azadi Ka Amrit Mahotsava from 2nd October to 30th October 2021.

In this regard a preparatory meeting was held on 2nd October 2021 where Mrs. Saswati Jena, NSS Program Officer shared the idea behind celebration during the entire month. She also developed an awareness among the student volunteers about the different kinds of activities that they can organize in their native villages during the entire month of October. Near about twenty-five volunteers joined the meeting and they also clarified their doubts and queries regarding the celebration.

The student volunteers then prepared their own plan of actions in consultation with the program officer and started organizing different activities at their native places. They organized small scale awareness programs on plantation and its impacts on purifying the atmosphere. The student volunteers prepared posters on plantation and cleanliness which they used in order to make people understand and feel the depth of the messages disseminated by them.

Observation of Rastriya Ekta Diwas (National Unity Day)

Venue- Virtual Platform

Date- 31st October 2021

Rastriya Ekta Diwas was observed every year to commemorate the birth anniversary of Sardar Ballavbhai Patel. It is a special occasion to foster and reinforce our dedication to preserve and strengthen our unity, integrity and security of our nation by reinforcing the value of a strong and united India. NSS Unit of KISS-DU observed Rastriya Ekta Diwas on 31st October 2021. The program was held in virtual mode as the student volunteers are staying at their own native places because of the pandemic. More than forty NSS volunteers and students participated in the programme virtually. The programme was culminated by thoughtful and inspirational messages about national security and communal harmony to maintain peace.

The programme started with a welcome address by one of the NSS volunteers. Then Mrs. Saswati Jena, PO, NSS, KISS-DU addressed the students and shared her ideas regarding the observation of such a day having a lot of historical significance. Two of the volunteers also spoke on the occasion and they said that the occasion provides us an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to unity, integrity and security of our country.

This was followed by an oath taking ceremony in which the NSS volunteers and student participants took pledge to preserve the unity, integrity and security of the nation.

RASHTRIYA EKTA DIWAS PLEDGE

I SOLEMNLY PLEDGE THAT I DEDICATE MYSELF TO PRESERVE THE UNITY, INTEGRITY AND SECURITY OF THE NATION AND ALSO STRIVE HARD TO SPREAD THIS MESSAGE AMONG MY FELLOW COUNTRYMEN. I TAKE THIS PLEDGE IN THE SPIRIT OF UNIFICATION OF MY COUNTRY WHICH WAS MADE POSSIBLE BY THE VISION AND ACTIONS OF LATE SARDAR VALLABHBHAI PATEL. I ALSO SOLEMNLY RESOLVE TO MAKE MY OWN CONTRIOBUTION TO ENSURE INTERNAL SECURITY OF MY COUNTRY.

The programme ended with a vote of thanks by one of the NSS volunteers.

Observation of AIDS Day, NSS Unit, KISS-DU

Venue – Blended Mode
Date- 1st December 2021

World AIDS Day is observed every year on December 1 to create an opportunity for people worldwide to unite in the fight against HIV and show their support for people living with HIV. The NSS Unit of KISS Deemed to be University observed AIDS Day on 1st December 2021 to spread awareness on AIDS among the student volunteers and also in the community. It was observed in blended mode. More than 40 NSS volunteers participated in the program.

At beginning of the day, a special session was organized in virtual mode in order to create awareness among the student volunteers about the importance of observing AIDS day worldwide. The session started with a welcome address by one of the student volunteers. Then Mrs. Saswati Jena, NSS Program officer provided some important information on the causes, symptoms, tests and treatments for treating HIV infection. She also highlighted the social stigmas related to AIDS and spoke on its ill effects on the individual suffering and also on the society. She displayed a video on “People living with HIV/AIDS (PLWHV)” which made the students able to develop empathetic feeling and positive bent of mind towards these people.

Afterwards, some student volunteers shared true stories of their respective communities which acted as eyeopener for all the participants. The student volunteers promised to give their very best in developing awareness among people in their own communities so that no one will suffer in future.

The session ended with a vote of thanks by one of the student volunteers.

During the afternoon, the student volunteers organized small scale HIV awareness programs in their respective communities. They prepared posters and explained the basic facts about HIV, AIDS and PLWHA. The villagers also participated and supported the program with lot of interest.

Overall, the entire observation was really a great success and it enhanced enthusiasm among the student volunteers.

Report on Save Trees and Save Life Campaign

Venue- Blended Mode

Date- 12/2/2022 &

13/2/2022

Trees help to clean air, soil and water, making the earth a beautiful livable place. Living close to trees makes us healthier and happier. That's why its time to save trees. A special preparatory session was organized by the NSS Unit of KISS Deemed to be University on 12th February 2022 in virtual mode. It was meant for in order preparing the students for the Save Trees and Save Life campaign to be organized by the NSS volunteers in their own localities. More than thirty-five NSS volunteers ^{and students} participated in the session.

The session started with a welcome address by one of the student volunteers. Thereafter, Mrs. Saswati Jena NSS Program officer, KISS-DU shared the objectives of the preparatory session and congratulated the volunteers for their previous plantation activities in their own localities. She highlighted on the fact that trees are the backbone of all ecosystems on which the mankind and other living and non-living being rely. Trees help in maintaining the ecological balance on the earth by emission of oxygen and absorption of Carbon dioxide.

She also pointed out some of the steps to be taken to contribute towards saving trees and advised the volunteers to organize awareness campaigns at least for one day in their localities with a slogan- "Save Trees and Save Life". The volunteers took an oath to actively conduct the campaign in their respective localities. The session ended with a vote of thanks.

The student volunteers organized small scale Save Trees and Save Life campaigns in their own localities with the help of local people. They created awareness on the importance of trees in our lives by using conceptual posters.

Overall, the program was a great success which was reflected in the increased rate of plantation in their localities as shared by the volunteers.

Report on Observation of World Cancer Day

Venue- Blended Mode

Date- 4th February 2022

World Cancer Day is observed annually on 4th February to raise awareness, improving education and catalyzing personal, collective and government action. It is an initiative of the Union for International Cancer Control (UICC) to take the lead in convening, capacity building and advocacy initiatives that unite the cancer community to reduce the cancer burden, promote greater equality, and integrate cancer control into the world health and development agenda.

World Cancer Day was observed in the NSS Unit, KISS-DU on 4th February 2022, in blended mode. A virtual session was organized by the unit in which around fifty students and NSS volunteers participated. The observation was based on this year's World Cancer Day theme, "Close the Care Gap". At the outset one of the student volunteers welcomed all the participants to the virtual observation and this was followed by a beautiful inaugural song. The song was based on the ill effects of substance abuse. Then Mrs. Saswati Jena, NSS Program Officer, highlighted on the objectives of observing the day and informed the students about the theme for 2022. She explained the theme this year and clarified that this year's theme focuses on the unequal distribution of resources but unjust and avoidable differences in cancer care. These barriers could be cultural, educational, financial, socio-economic, geographical and gender or age-related discrimination.

Afterwards, some of the volunteers shared their views on various ways and means to create awareness in their own communities. They took decisions to organize awareness programs on substance abuse in their localities. The session ended with a vote of thanks by one of the volunteers.

After the virtual session the volunteers organized small scale awareness programs in their localities.
